

PATRICK FERNANDES RIOS

MID-LEVEL WEB DEVELOPER

Developer with **three years'** professional experience in two companies and a **strong ability** to create intuitive and performant interfaces. Passionate about **technology** and always looking to improve my **knowledge**. I have personal projects that explore **innovation** and good development practices.

WORK EXPERIENCE

Web Designer / THE CMO'S Marketers

OCT 2023 - JAN 2025 / Full-time, Home-office

I joined the **marketing team** as a web designer, responsible for designing and implementing websites that were used in the **company's marketing** campaigns.

REACT Developer / Hubkn AI

APR 2022 - SEP 2023 / Full-time, Home-office

I collaborated with hubkn's **team of developers** as a React developer, helping to **create** a sophisticated system for **analyzing sales data** generated by **artificial intelligence**.
